**Dan Saban For Maricopa County Sheriff
Is Endorsed By DFA-MC**

PHOENIX, AZ (December 10, 2007) – Democracy For America – Maricopa County, a grassroots Democratic club, has endorsed Dan Saban as he seeks the Office of Maricopa County Sheriff.

Susan Ackley, DFA-MC Chair, speaking for the group said, “It's time for a law enforcement professional to return dignity and respect to the Sheriff's Office in Maricopa County. Dan Saban is that professional. Dan's dedication to public service is evidenced by his more than 30 years of experience. He understands that the role of sheriff is to administer the office in a way that serves the community, not himself.”

Ackley went on to say, “Democracy For Arizona - Maricopa County is proud to endorse Dan Saban.”

Dan Saban has said, “I'm obligated to protect your rights, not use my authority to abuse them.” This is an important point which convinced the activists of DFA-MC to throw their support to Saban. Concern for fiscal responsibility also prompted support for Saban by DFA-MC. Lawsuits costing county taxpayers many millions of dollars have been brought against Arpaio.

“Enough with the abuse of power and the national embarrassment, let's elect a Sheriff who will restore public faith in the Office.” Catherine Miller, former DFA-MC Chair, continued with, “Dan Saban has the credentials, the integrity and the vision to best protect and serve the community as our next Sheriff.”

Voters are encouraged to visit Dan Saban's website at www.sabanforsheriff.com and don't forget to vote November 4, 2008.
